

"Our Family Taking Care of Your Family"

*****ATTENTION PARENTS/GUARDIANS*****

We make every effort to provide quality patient care that is also cost-effective for all our families. As a courtesy to our patients, we do check your insurance benefits for each visit. However, it is very important to contact your insurance company to make sure we are a provider, and to understand completely what your benefits are and what is covered. If you wish to discuss issues beyond the scope of the routine exam during your child's well visit, your insurance company **requires you to pay a copay or have co-insurance responsibility at the time of the visit.**

Laboratory Requirements:

All labs are sent to Quest Diagnostics, if your insurance requires a specific lab to be used please notify the clinic staff **before** any blood draw or procedure.

Prescription Refills:

Please allow 24-hour notice when requesting all medication refills.
